

Barnet Judo Photographic Competition

Dear all,

Barnet Judo Club is holding its first ever Photographic Competition, which is open to all members of Barnet JC, Alexandra Park JC, and their families and friends.

The competition features the following categories:

- i) JUDO
- ii) LANDSCAPE
- iii) NATURE
- iv) METAL

The above subjects can be interpreted as widely as your imagination takes you, and entries can be submitted in either digital or print format (colour or B/W); prints can be either framed or unframed (max 600mm x 600mm when framed).

Please send all photos in digital format as JPEGs by email to me at chris@barnetjudo.co.uk, and all prints by hand to either myself at one of the Alexandra Park JC classes this month or next? Please contact me in advance to check I will be attending a particular class or to Simon Mazzullo at Barnet JC during any Friday evening class.

Please note that you can send up to a maximum of 4 PHOTOS PER CATEGORY and that all photographs must have been taken this year.

The deadline date for all entries is 31 DECEMBER 2011.

All photographs will be assessed by an experienced judge and there will be a winner for each category as well as an overall winner, with prizes given. It is intended that the winners will be announced and prizes awarded at a Barnet JC social function one evening early in 2012 (date and venue TBD).

So whether a professional, a photography student, a recreational photographer, or you simply like snapping away whilst on your holidays, this competition is for YOU.

Good luck!!!!

Regards,

Chris Dixon
Events Secretary APJC
